**Don't miss this chance to train with a martial arts legend!!**

Pekiti-Tirsia Kali is a close-quarter, in-fighting combat system against multiple opponents based on the use of the Blade. The Pekiti-Tirsia system of Kali originates from the province of Negros Occidental in the Philippines and was formulated by the Tortal family of Negros and Panay islands. The family patriarch, Conrado B. Tortal, passed this system and its attributes onto his only grandson, and sole heir, **GRAND TUHON Leo Tortal Gaje, Jr.**
