

A LITTLE ABOUT ME:

My name is Julieta Worley and I am the captain of March for Babies - Team Worley. In 2007, my daughter was unexpectedly born prematurely at 30 weeks and spent 6 weeks in the NICU. In 2010, thanks to several precautions we took, my son was born at 32 weeks and only spent 2 weeks in the NICU. As a mom of two (now grown) preemies, I have been working hard to make sure other families have the information and resources they need when dealing with these difficult medical issues. Having a premature baby is an extremely stressful experience and it helps to have the support of amazing groups like the March of Dimes.

WHY WE WALK:

Nationwide 1 in 8 babies is born too soon and 1 in 3 newborns is born with a birth defect. We walk to raise money for the March of Dimes to continue funding necessary programs and research so that one day all babies will be born healthy and at term.

WHY YOU SHOULD SPONSOR OUR TEAM:

When you sponsor my team, your tax deductible donation helps the March of Dimes to champion the needs of moms and babies. All sponsors will receive a sign showing their support to display in their business. However, in return for your valuable sponsorship at the Platinum or Gold levels, you will receive an 18' x 24' sign that will be displayed in front of 12,000 walkers in the Family Teams Area at March for Babies on April 28. Platinum sponsors will also "walk" with us when we feature your name or logo on our team t-shirts.

We would really appreciate any support that you can give for this year's event. If you would like to make a contribution to my team, please fill the sponsor sheet attached with this letter, which should be returned by May 1st, 2012 along with your payment. You can also visit our team page at: <http://www.marchforbabies.org/team/t1763588>

Thank you!

Sincerely,

Julieta Worley

Family Team Sponsorships

March for Babies is a great opportunity for Family Teams to help promote local businesses while also adding to your Family Team Total!

Here's how it works:

- Contact a local business and ask if they will sponsor your Family Team
- They make a tax-deductible donation to the March of Dimes at one of the sponsorship levels and it is credited to your Team Total!
 - They get advertising the day of the event and support a great cause
 - Family Teams can advertise on their t-shirts, hats or carry a banner

Who can I ask? Anyone!

Your employer, hairdresser, dry-cleaner, favorite restaurant, ice cream shop, gym, personal bank, your pediatrician, OB-GYN, dentist, your accountant, landscaper, grocery store, etc.

The possibilities are endless!

Signs recognizing Platinum and Gold Sponsors will be displayed in the Family Team Area. All levels of sponsorship will receive a copy of their sign—perfect for display in their business. Signs are 18" x 24"
